Sir:

This paper is filed in response to the telephone discussion between Applicants' attorney (Mr. Geist) and Examiner Appiah on August 3, 2005.

The Amendment, first filed on May 19, 2005 as well as the subsequent filing of a response on June 20, 2005 to the Notice of Non-Compliant Amendment dated June 8, 2005, cancelled all claims except those indicated as allowable in the Official Action dated March 11, 2005 on page 13, item number 10. In the circumstances, all grounds for rejection in the Official

Action dated March 11, 2005 were (and are) believed to have been rendered moot. During the aforementioned telephone discussion, Applicants' attorney misspoke when he said he would file a terminal disclaimer to overcome the double patenting rejection raised by the Examiner in the March 11, 2005 Official Action.

Accordingly, the pending claims 260, 261, 272, 273, 288, 298, 309, 310 and 320 are believed to be in condition for allowance. Should the Examiner wish to discuss this case with the Applicants' attorney, he is respectfully requested to call (212-408-2562).

Respectfully submitted,
